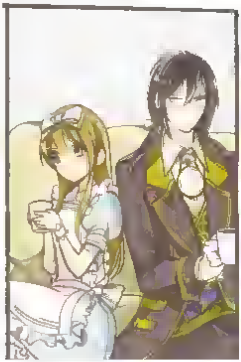
This manga is
"Love, Storms, and
Flower Clocks:
Alice in the Country of Hearts
~Wonderful Twin World~"
by QuinRose and Sai Asai.



Notes by Reika:

This manga is an adaptation of the Julius route in the "Alice in the Country of Hearts: Wonderful Twin World" otome game, a sequel to the first game, "Alice in the Country of Hearts."

Therefore, although this manga volume is theoretically a standalone, I think it's better to read the "Alice in the Country of Hearts" manga first.

The premise of Twin World is that Alice has settled down with her lover in the Country of Hearts when a strange storm suddenly arrives to shake things up. That's why in the first chapter of this volume, she and Julius are already living together as a couple. ;)

Inside a tornado that's sweeping up everything,
And it's connected to my dream somehow

THEN WHY DID YOU COME HERE AGAIN?

I feel weird.
No

DIDN'T YOU GUYS CALL OUT TO ME?
This isn't right
NO. THAT WAS YOUR INTENTION.
YOU CAME TO THE KING'S ROOM
IN ORDER TO CRACK HIS

THIS TIME
HOWEVER MANY TIMES YOU COME HERE
I can't hear My heart is pounding in my chest.

YOU WILL CRACK US.
BECAUSE YOU WANT TO BREAK OUT.
WE EXIST BECAUSE WE MUST BE CRACKED.
IN THE DEEPEST PART OF YOUR HEART WHERE THE LIGHT DOESN'T REACH.
YOU WANT THE TH ONE.
THE TH ONE IS YOUR DESIRE.
Break out?
Like break out of my shell?
Or like break out of here
and go back to my old world?

I can't get down.
At this rate, I really will-
YOU WILL BECOME KING!
SIT IN THE THRONE!
